

## **Ning XI**

**Chair Professor of Robotics and Automation, Department of Data and Systems Engineering**

**The University of Hong Kong**

**Professor Ning XI** received D.Sc. degree in Systems Science and Mathematics from Washington University in St. Louis, Missouri, USA in 1993. Currently he is the Chair Professor of Robotics and Automation, Department of Data and Systems Engineering of HKU, and Director of Advanced Technologies Institute. Before joining HKU, he was a University Distinguished Professor, the John D. Ryder Professor of Electrical and Computer Engineering at Michigan State University in United States. Prof. Xi is a fellow of IEEE. His research interests include robotics, artificial intelligence, manufacturing automation, nano sensors and devices, and intelligent control and systems.
